Frank Accardi Will Conduct Local Cancer Drive During Month Of April

Frank Accardi, well-known local business man, was appointed chairman of the Campbell fund raising campaign of the American Cancer society. Edward M. Seacord, county campaign chairman, announced Accardi's acceptance of this position yesterday.

"I will be most happy to serve on this all-important campaign," said Accardi. "There is not one person who can afford not to give to this drive to fight America's most dread disease. With the cooperation and the dollars of every Campbell resident and every citizen in America we can go a long way in licking cancer."

The local campaign will feature collection boxes in all of the local merchants' stores, said Accardi. In addition, posters and literature explaining the need of funds for the cancer fight will be posted in various places around town.

"All of April has been proclaimed cancer month by the American Cancer society," the chairman said. "That means in Campbell we'll need the aid of those loyal residents to help in raising the funds for this area. Although the goal is not yet determined, we'll be needing the aid of volunteer workers almost immediately."

Campbell people who wish to aid Accardi in the cancer drive are asked to call or write to him at campaign headquarters, E. Accardi's Appliance store, E. Campbell avenue.

"We'll announce the territories and definite campaign plans next week," said Accardi. "However, if anyone wishes to donate now he can send his money to the headquarters and will be given immediate credit."

Reese Gets Return Of C of C Ballots Sent To Merchants

Out of 116 ballots sent to the Campbell merchants calling for their opinion on the present setup on merchant patrol, only 33 were returned, according to Forrest Reese, secretary of the Chamber of Commerce.

Of the 33 returned to Reese, 28 voted to continue the night watchman under its present conditions while five voted no. The present setup allows for the Chamber of Commerce to hire a watchman for the merchants and guide the activities concerning this position.

"We would have liked to have had more of an expression on this vital issue," said Reese. "However, the votes that were returned indicate that the merchants want the Chamber of Commerce to continue sponsoring the merchant patrol."

Next meeting of the Chamber of Commerce will be held Wednesday, April 20 at 8 p.m. in the Country Woman's club.

4-H's CHANGE DATE

The Community 4-H club meeting, scheduled for April 13, has been postponed due to Easter vacation, according to adviser Mrs. Arthur Tindall. The meeting will be held instead on Wednesday, April 22, at 7 p.m. in the Campbell Grammar school.

ive effort to make this the outstanding production of the Society's career. The San Jose Squadron is sponsoring the play and will assist as technical advisers.

Father Edward Carr, moderator of Dramatics at Bellarmine, said that the school and the San Jose squadron are making an all out effort through a wide publicity campaign to stimulate popular interest towards a large ticket sale. Funds derived from the play will be given to the school's building fund. Students from all over the world have Bellarmine as their second home and the increase in enrollment and expansion of the schools' curriculum necessitates additional dormitories and classrooms.

Delegates Vote To Accept New Campbell 'Chest'

Delegates to the special meeting held Tuesday evening at Campbell High school of the former Community Chest in Campbell voted unanimously to accept the constitution and bylaws presented by President Raymond Fish for the reorganization of the Chest under the name of Community Youth Fund.

"The meeting was a huge success," said Fish. "Approximately 30 delegates from various service organizations and Scout groups attended the meeting."

The primary object of the meeting was to reorganize the old Chest under more streamlined methods for more efficient handling of fund raising collection drives in Campbell, San Tomas, Beverly-Burbank, Cambrian and Moreland.

Next meeting of the Community Youth Fund will be held Monday, May 2, in the Little Theater at the Campbell Union High school. At that meeting service clubs and organizations will send two members, under the new constitution, to become members of the Board of Directors. They will serve a two-year period.

Under this new committee all of the fund raising activities in Campbell will be first discussed by the Board of Directors as to plan and procedure.

Officers, including a president, vice-president, and secretary-treasurer will be elected at the May 2 meeting. If not called upon to serve in an executive capacity Fish, present president, will bow out of the new committee which he organized.

"We are well on our way to becoming 'streamlined' in our operations in this five area district," said Fish. "Many people have called for such an organization for some time and with such a turn out as Tuesday's meeting and such lively interest I'm sure the new Community Youth Fund will be a complete success."

Campbell High Orchestra Plays For Kiwanis Club

Chairman of the program for the day was Joseph V. Gomes. He introduced several visitors to the club. Among them were Rev. Mark Rifenbark, Chester Bartlett, and William Shuey.

The orchestra played several selections for the Kiwanis members among which were "Old Man River," "Fiddle-Faddle" and "Concerto in G Minor."

redwoods themselves will provide the backdrop of scenery for the six-tier stage. Although the amphitheatre is being built to seat 500, it is constructed so that it may be enlarged later for a greater audience capacity.

Based on a religious theme, "The Miracle of the Trees" is a symbolic production presenting the story of man's eternal struggle for freedom and peace down through the ages.

In addition to the presentation of this yearly pageant, plans are being made for an Annual Fellowship of Man Award, to be bestowed upon a person who has done the most for human welfare and world peace during the preceding year. Every year a seedling redwood will be planted in a "Grove of Peace" — especially created for this purpose — in honor of this individual.

The Santa Cruz Chamber of Commerce is one of the first sponsoring organizations to be announced, although various groups throughout California are being asked to participate in this non-profit corporation. Mitchell Appoints Peabody To Head Community Chest

Thomas Mitchell, president of the Community Chest of Santa Clara county, today announced the appointment of Patrick Peabody as chairman of the 1949 campaign.

Peabody has for many years been associated with business and civic activities in Santa Clara Valley. Last year he headed the O'Connor hospital drive which netted more than one million dollars.

Peabody is president of the Santa Clara Broadcasting company which owns and operates KSJO and KSJO FM. He formerly published newspapers in Sunnyvale, Los Altos, Campbell and Saratoga. Earlier newspaper experience was gained on metropolitan dailies in Chicago and San Francisco and on the San Jose News.

The new campaign chairman is currently vice-chairman of the Santa Clara Planning Commission, member of the Industrial committee of the San Jose Chamber of Commerce, member of the Democratic County Central committee and on the Boy Scout Council of Santa Clara county.

Chest president Mitchell, in making the announcement, pointed to Peabody's "unusual energy and acumen" in community activities and expressed the belief that his selection would be a big step toward making the campaign goal.

The early appointment, Mitchell said, "should encourage good campaign organization and adequate volunteer support for the fall campaign which in turn will establish our Red Feather services on the firmer basis their value deserves."

To cover an acre of land one foot in depth, 1600 cubic yards of loam were necessary for San Francisco's Golden Gate Park.

Small Turnout Of Eligible Voters Go To Polls Monday To Elect Three Year Officer

Twenty-five votes out of a possible 500 were recorded in the fire commissioner election held at the Campbell fire house Monday, April 4. Re-elected for a three-year term was Fred Jones. He will serve with commissioners E. E. Merrill and Ethan Lanphear on the board.

"Although the polls were open from 1 to 6 p.m. we only got a sampling of the voters who are eligible to participate in this election," said Merrill. "When the next election rolls around I hope more Campbell voters who want to take part in their civic duties, will come to the polls to express their opinion."

The fire commissioners will meet in their regular monthly meeting April 11 in Lanphear's store. One of the most debatable plans of the fire commissioners, that of having a full time man for the day and night shift at the fire house, will go under discussion again.

"We would like to know how the voters feel about this idea," said senior member Merrill. "We have been toying with the idea for quite some time, both pro and con, and are thinking seriously of taking the step."

Duties of the fire commissioners include making out the amount of money necessary for this fire district. Their figures then go to the county auditor to be put on the next budget in July. Last year the commissioners called for \$9500 for Campbell's immediate business area which the Campbell fire house serves.

"We've done a lot of repair work on the fire house this year, too," said Merrill. "We've fire-proofed the walls on the west side of the building and fixed the floors."

The Campbell Fire company has two pumpers, one with a 500 gallon and one for 250 gallon capacity. The building has a siren that summons volunteer firemen when the need arises. There is also a siren at Jones Service station for the volunteers in that district.

"The volunteer firemen don't always assemble at the fire house when the need arises," said Merrill. "Many times they go directly to the fire if they can see it from where they are."

If there were someone on duty day and night perhaps it would be safer, said Merrill. "But we're wondering if the public will want a man regularly and desire to support him?"

Merrill is the senior member of the commission board. He has been serving this area for nearly 30 years. Lanphear served for a term before he moved from Campbell and then returned later to put in approximately 10 years of service. Jones joined the commissioners three years ago for his first time.

"In 1948 this area in Campbell, the business district and not much more, was assessed at close to three million dollars," said Merrill. "Since that time many new businesses have come in and the assessment is probably even greater than last year. With such a huge assessment the tax rate for this district for a full time man or men wouldn't be very much greater than it is at present. If the people will express themselves on this idea then the commissioners will promise action."

"Consider the youngster at your door a junior salesman," said Anello. "He's not only trying to win a contest but he's helping himself to gain valuable experience in meeting the public. All you can do to help the youngsters would be greatly appreciated."

Residents To Show Local Dogs Sunday At Fairgrounds

Several local dogs will be entered in the San Jose Kennel club April 10 at the Santa Clara County fairgrounds, according to Mrs. Virginia H. Ammon, Campbell club member. The show is being held outdoors for the first time, she said.

Dogs already entered in the show are "Velvet and Lace," owned by Mrs. Ammon and "Carlena," a Great Pyrenees, owned by Mr. and Mrs. L. E. Garcia. "Velvet" is a Dalmatian.

"If you don't own a dog the show is still worth while attending," said Mrs. Ammon. "It will be staged in a beautiful outdoor arena especially set up for the show, and if the weather holds out the show should be a huge success."

Rotarians, Wives Enjoy First Party

Women's Service Club Of Campbell Stages Outstanding Musicale, Tea In Rooms Of Methodist Church

A large group of Campbell women gathered at the Methodist church here Wednesday afternoon to view the keepsakes displayed at the "Golden Treasures" Musicale and tea presented by the Women's Service club of Campbell. President Mrs. Raymond Flagg and her committee heads greeted the delighted guests.

Using as the main decor antique gold frames, the room was arranged in spring floral designs in antique vases. Each tea table was centered with a gold frame with small bouquets. The background for the program was a large gold frame with a dark green velvet backdrop which framed a huge floral blossom display and an old-fashioned fan. Throughout the church keepsakes were displayed as still-life pictures.

The musical program featured a string quartet consisting of Frank Triena, first violin; Richard Gordon, second violin; Dennis Barrett, viola, and Allen Gove, cello. They selected for presentation two selections, Quartet No. 1 in F, First Movement, by Beethoven and Quartet No. 1V (Dissonant), Minuet and Last Movement by Mozart. Mrs. Roberta Fleeson, art supervisor, was guest speaker at the regular meeting of the Union Grammar school Home and School club Friday in the school. The meeting was presided over by Mrs. Frances Murphy.

The speaker stressed that the technique was not the all-important factor in learning. A child learns better if he is not too concerned with technique, she said.

In a lovely afternoon wedding at the home of her parents Miss Ruth Livingston became the bride of Duane Berg April 3. Officiating at the ceremony, which was attended only by the immediate family, was the Rev. Corwin Olds, of the Congregational church in Campbell.

The bride's mother, Mrs. C. F. Livingston, selected a blue and black dress and highlighted the outfit with blue accessories while the groom's mother chose a blue dress complimented by brown accessories. Both mothers wore white orchid corsages.

Because the wedding party was held at the Harrison avenue home of the Livingstons and could include only the immediate family, the wedding guests were invited to a large reception held at the Country Woman's hall in Campbell. Approximately 100 friends came to wish the young newlyweds their congratulations.

The couple received guests in front of the fireplace which was decorated with seasonal flowers and had a lighted candelabra on each side of them. The couple then proceeded to cut the beautifully decorated three tier wedding cake.

Helping at the reception were Mesdames Winona Clark, Bill Means, Blanche Gilpatrick, Irene Hodges, Alma Fanning and Misses Jeanne Leitch, Noreen Berg, Renee Faulkner and Pat Means.

Saturday, April 9—Track: Spartans vs. Santa Barbara and San Diego at Santa Barbara; Baseball: San Francisco State at San Jose, 2:30 p.m.; Golf: Stanford at San Jose Country Club, 1:00 p.m.; Boxing: NCAA tourney at East Lansing; Tennis: Spartans at Fresno State.

The Spartan track team will be at full strength against the Gauchos and Aztecs at Santa Barbara in the annual triangular meet between these CCAA schools.

Coach Bud Winter's thinslads eked out a 68-63 victory over the Olympic Club Saturday in a meet which showed need of more Spartan strength in distance events. Miller Dore Purdy did an adequate job, but the clubmen outran other Spartans.

Mel Martin, San Jose's record smashing high jumper will meet stern opposition from Will Dancer, the new Gaucha star. eGorge Matos, who broke Cornelius Warner-dam's 12-year old Spartan Field pole vault record will probably have to top 14 feet to beat out San Diego's Bobby Smith.

Maderis Quintet Drops Champion Game To Cook's

Overpowered by the fast action squad of Cook's Automotive, the Maderis quintet of Campbell went down to defeat in the title contest that awarded the Cook's boys with a 62-47 win and the 1949 Mercury Herald Tournament championship Saturday in Spartan gym.

The food boys from Campbell fought their way into the championship game eliminating teams as they went last week. For the first five minutes of play the Maderis boys fought hard but Cook's five opened up with a furious attack and rode into a 16-6 lead.

By half time the score had mounted to 28-15 and although the Campbell team went on the offensive in the second half they couldn't come from under the lead the rivals had collected from the first half's efforts.

Bob Enzensperger, Cook's guard, and Hal Sonntag, Maderis guard, shared high point honors, each with 16 digits. McCaslin of Cook's and Chuck Crampton of Maderis were runners-up with 13 points apiece.

The Spartan golfers will battle to retain their links supremacy this week with matches against California and Stanford. The NCAA champs already hold one victory over the Bears, but have not yet met Stanford this season.

SPOTLIGHTING SPORTS

By MARV SCARPER

As Easter vacation draws near most of the local athletes will lay aside their sporting gear and do one of two things; loaf or work. Most of the boys will hit the road for Santa Cruz and other places while a few will find jobs. The only high school sporting event scheduled for next week is the 20-30 relays to be held in San Jose April 16. The trial heats will be run off in the morning and the finals will be held in the afternoon. The meet will be held on the Spartan field track right next to Spartan stadium. Over 700 athletes are scheduled to participate in the relays.

John Oldham, Buc southpaw pitcher, is establishing quite a strike-out record. In 13 innings Oldham has struck out 23 batters while allowing eight hits and only one earned run. Oldham has a league record of one win and one loss. This only John's second year as a pitcher and he has another year of eligibility in high school. In his spare moments Oldham plays end on the Buc football team.

Best efforts in last Friday's track meet with Mt. View were made by Don Morley who took first in the varsity high jump and the hop, step and jumps; Bob Beth took first place in the Class B shot put with a heave of 47'6". Beth also placed in the discus throw and Ike Stevens won the Class D 50-yard dash, broad jump and placed second to another Campbell man in the 100-yard dash. Dan Livesay turned in a good time in capturing the Class B 440.

Fremont High's varsity seems to be the team to beat in the SCVAL track race. The Indians captured 12 out of 14 first places in a dual meet with the highly rated Santa Clara A team. Fremont may be a contender for the NCS varsity crown. They have a lot of good men and are really power packed with reserves.

NOTES FROM THE NOTEBOOK

Track today features Washington at Campbell. The 20-30 Relays finals start at 1 p.m. in San Jose April 16. Trials are in the morning. All next week is Easter vacation so there will be no sports.

Large Group Turns Out At Cambrian For Folk Dancing

Attendance almost doubled at the second meeting of the Cambrian folk dancing group Monday night, according to William Gwinn, instigator of the class. The group meets in the Cambrian school, E. Casey road, from 7:30-9:30 p.m. every Monday.

"The turnout was so encouraging we're sure we're going to have a successful organization," said Gwinn. "The first meeting of the folk dancers was March 28. At the meeting this Monday we had approximately 20 couples in the class."

Miss Ruby Howes, physical education teacher at Campbell High school, is instructing the couples in the technique of folk dancing. The public is invited to attend the folk dancers next Monday night in the Cambrian school. The class is part of the adult education program.

Cambrian Men's Club To Sponsor Gala Festival May 1 At School; To Feature Parade, King, Queen

A pageantry of color and fun awaits patrons who attend the first May Day festival held by the residents of Cambrian at the Cambrian school grounds Sunday, May 1. The carnival theme will reign in Cambrian from 2 p.m. to 11 p.m., according to general chairman Herb Brash.

Highlight of the nine hour festival will be the awarding of various prizes in the many contests offered for the participants. Grand prize of the day will be the 8.8 cu. ft. refrigerator to be given away by the merchants of Cambrian. The refrigerator has been donated by the Cambrian Appliance Co.

Things will start off in carnival form with the gala costume parade presided over by a Cambrian king and queen and their royal court. The royal personage will be selected from a popularity contest conducted at the school, Brash said.

"Games, free dancing to the music of Clyde Appleby's orchestra and prizes galore are all on the day's agenda," said Brash. "Tickets for the affair may be had at any of the merchant's stores in Cambrian."

The entire festival is sponsored by the Cambrian Men's club headed by president Max Nagel. They are working in cooperation with the grammar school to put on this huge event. The benefits from the day's activities will go to all of the organizations in the Cambrian community.

A May pole dance and pageant will be presented by the school children of Cambrian starting at 3 p.m. This colorful event, a tradition with May Day activities, will also receive the patronage of the king and queen.

Other chairmen who are aiding Brash in arrangements include Frank Coombs, grounds chairman; D. M. "Ace" Bagby, school activities; Charlie Sartorette, lighting; Roy Lindsay, ticket sales; and George Tutt, publicity chairman.

Cambrian school is located on San Jose-Los Gatos road. All residents in Cambrian, Campbell and surrounding areas are invited to attend the day's festivities, Brash said.

Grammar School PTA Hears Roll, Gordon At Meet

Guests of the Campbell Grammar school PTA at the Tuesday meeting were Calvin Roll and Richard Gordon, instructors. The group assembled in the auditorium to hear the speakers and witness the installation of officers.

Mrs. L. W. Brown was installed by Mrs. Edward Reynolds, first vice president of the Sixth district, as president. Other officers are Mrs. William Ostermeier, vice president, Mrs. David Baxter, second vice president, Mrs. Robert O'Fling, secretary, Mrs. Ray R. Davis, treasurer, Mrs. Lben Howard, historian, and Mrs. Dorothy Royce, auditor.

Roll, seventh grade teacher, outlined the program of music which is being followed in the school today. A fairly new instrument called the auto harp, was demonstrated by the seventh grade pupils. Gordon presented to the PTA the requirements needed for the students to play in the orchestra. He gave them some idea of the test he gives to see if the child is adapted to the field of music. Following his talk his orchestra played several selections.

Mrs. Dorothy Royce, principal of the grammar school, made an announcement concerning the new bill before the State Legislature in connection with financing of schools. She urged everyone to write to the California representatives and ask them to support this new bill 2120.

The meeting was then adjourned to the cafeteria where refreshments were served by the second grade mothers.

Next meeting of the Campbell PTA will be Tuesday, May 3, at 2 p.m. in the school auditorium.

Pensioners Hold Rally To Hear Mrs. McLain Speak

A small crowd of about 22 persons filed into the library club-room yesterday to hear speakers at the old age pensioners rally. The meeting, called by Louis "Dad" Lee, Campbell, featured Mrs. G. H. McLain of the Citizens' Committee of Los Angeles, sponsors of the rally.

"We have a fight on our hands," Lee told the pensioners before introducing the speaker. "And it's a case of fighting for our rights or going back to poverty pensions if the repeal goes through."

The Citizens Committee is combatting the forces which are trying to repeal Proposition 4. Under the present amendment the old age pensioners will get \$75 monthly.

"This amendment was passed by the voters of California at last November election," Mrs. McLain told her audience. "It represents the will of the people and it is frozen into the constitution."

Repeal of this bill will lose for the pensioners their present \$75 allowance, according to Mrs. McLain. There are 2007 old age pensioners in California at present that will suffer greatly should the repeal succeed, she said.

"We have been represented by a group of people who call themselves the Citizens Committee, our name," she told the pensioners. "They have approached voters in the county for their signature on petitions to repeal Proposition 4 and many people, in good faith, have signed the petition thinking it was our group that was circulating them. They told the signees that the repeal would not mean pensioners would lose their \$75."

Mrs. McLain called upon her audience to aid in the fight to stop the repeal of Proposition 4. She urged that they become informed so that they might present the facts to those who are in doubt as to the issues that are at stake.

Observation Here Of Good Friday

George R. Reilly, district member of the State Board of Equalization, today promised cooperation of alcoholic beverage licensees in the observance of Good Friday on April 15.

In a letter to Thomas F. Duffy, president of the Reverent Observance of Good Friday Movement, Mr. Reilly wrote:

"In past years restaurant operators holding alcoholic beverage licenses issued by the Board have voluntarily closed their doors from 12 noon to 3 p.m. during the hours of devotion so their employees might attend religious services at the churches of their respective faiths."

"This year I have discussed the desirability of similar action and have been assured by leaders of the liquor industry that the same spirit of cooperation will prevail."

"Easter week is a period of great religious significance to the community at large. The observance of the hours of agony reflects the awareness of licensees to their community responsibilities."

Concerts In Los Gatos Will Play To Capacity Audience This Fall

A complete sellout of the 830 available memberships in Los Gatos Community Concert Series Association resulted from the membership drive held in Campbell, Los Gatos, Saratoga and surrounding areas recently.

Historically the second year of community concerts is the most difficult because of a high turnover in memberships, said Dr. Gustave Fassin, president of the organization. However, Campbell, Los Gatos, Saratoga and surrounding areas came through with an increase in memberships of over 100 more than last year and only slightly more than half the drop outs experienced generally in community concerts during the second year.

The campaign was held for one week only from March 26 through April 2. Dr. Fassin expressed his thanks to all of those who have subscribed to memberships for the coming season and thanked especially the many volunteer workers who contributed so generously of their time during campaign week. He also thanked Mayor James Thompson of Los Gatos for proclaiming Community Concert week and the many organizations who supported the drive.

At the close of a meeting held Saturday night in Los Gatos the selection committee chose a tentative program for the coming season. Probable artists include: October, Rosario and Antonio, world famous Spanish dancers; November, Arthur Kent, brilliant young baritone; March, Susan Reed, singer of ballads; and April, Bartlett and Robertson, popular duo piano team.

This program of artists and dates is tentative, said Fassin, and in approximately two months the schedule and exact dates will be determined.

During the past season a varied program of artists was presented and each was very well received and highly applauded. The Community concert plan has spread throughout this country and the South American countries and is universally popular because it enables the residents of the small communities to have in their own town the outstanding artists in the world today.

Deadline Nears For Payment Of '48 Property Taxes

The second installment of the 1948 county taxes becomes delinquent at 5:00 p.m. Wednesday, April 20, and penalties and costs will be added thereafter. For the convenience of taxpayers the Tax Office will remain open until noon, Saturday, April 9 and 16. Purchasers of property since March 1, 1948 who have not previously received their tax bill from the former owner or this office should check with the Tax Office immediately and see if their taxes have been paid. If taxes remain unpaid we will be required to advertise the property as delinquent.

The Tax Office wishes to call attention to taxpayers of an increase in the delinquent penalty after April 20 from three per cent to six per cent. This change was made by the last session of the State Legislature. Also the Tax Office is now positively prohibited from accepting checks for more than the taxes indicated on the tax bill.

Taxpayers are urged to check over their tax bills and mail their taxes as early as possible, thus avoiding last minute rush and delay.

All taxes paid after Wednesday, April 20, 1949, will carry a 6 per cent penalty plus costs.

June 4 Date Set For Annual San Tomas Carnival

The second annual carnival sponsored by the San Tomas Men's club will take place Saturday, June 4, reports Cecil Rose, general chairman of the event. Rose was appointed to head the June festival at a special meeting of the club held last night in the San Tomas school.

The affair will be an all-day event featuring booths and concessions manned by various organizations in San Tomas, the club decided at the meeting last night. Advisers Don Hartman and Joe Anello, who supervised last year's event, spoke to the group last night. They presented their ideas and suggestions for the club to use in this year's carnival.

Bob Peterson, chairman of the men's club, presided at the special meeting. He heard hints and suggestions from all of the members after which Rose was appointed general chairman of the carnival. All committees and chairmen will be appointed at a later date.

Proceeds from the carnival will be given to the San Tomas grammar school for whatever improvements are needed, the club decided. The club plans to ask the cooperation of all of the clubs in the San Tomas area in planning the day's activities.

SPARTANS TO PLAY

Coach Walt Williams baseball squad gets back into action with a test against San Francisco State. A series of setbacks has kept the Spartans below par during the early season, but Williams expects his club to be at top strength for the 'Gators.

He'll select his pitcher from among Ralph Romero, Pete Mesa, and Bob Santos, all right-handers.

Capacity Crowd Turns Out To View \$80,000 Theater

A capacity attendance turned out to see the first program offered by the new \$80,000 Saratoga Theater when it opened its doors for the first time Saturday.

The theater, owned and operated by Mr. and Mrs. Mason Shaw, has a new high acoustical quality which makes hearing far superior to old type theaters. The theater also has a "crying room" for mothers with small children. And if the need arises the managers are prepared to install special headphones for the convenience of those who do not hear well.

The building, located at Third and Big Basin Way in the center of Saratoga, is 48 by 140 feet. The apartment of the Shaws is directly over the modern "V" marquee and foyer.

Bumping knees while entering and leaving the theater is no problem in this new theater, Shaw pointed out. For the convenience of his patrons, Shaw has installed rocking chair logs seats which he claims have not been duplicated in any theater between Saratoga and San Francisco. Seating capacity is 470, of which 114 are the large rocking chairs.

Acoustical plaster lines the dome of the quonset-type auditorium while murals of tropical and water scenes decorate side walls. Every precaution has been taken to guard against outbreak of fire, and a complete sprinkling system has been installed.

Selections of coming features will be excellent, Shaw assures his patrons, as he claims to have a large group of both foreign and domestic films. The show will be open daily at 6:45 p.m. Saturday and Sunday matinees are started at 1:45 p.m. with closing time set for 11:30.

Louis Peiosi of Los Gatos will be projectionist. Mrs. John Irwin and Miss Aleen Davis are ushers.

What's News IN MOORPARK

Big Lions Easter egg hunt for Moorpark, Burbank and Sunol children on April 16 will be held at the Burbank school grounds at 1:30 p.m. Children up to the sixth grade are invited to participate.

The Beverly-Burbank Lions club is putting on the egg hunt for the west side children. All children attending are urged to come in costume and compete for costume prizes.

The Drum and Bugle corps of the Sunol school will entertain and lead the parade.

William C. Henley, superintendent of the Campbell Union Elementary school district and coordinator Mrs. Ruth Stewart served refreshments to Moorpark teaching staff Wednesday noon during a teacher's meeting. Special guests were secretaries Margaret Sampson and Ruth Cousins, Mrs. Nan Allen, director of Child Welfare, George Cass, director of recreation and Juanita Smith, San Jose State college student who is doing practice teaching at Moorpark.

A contest prize was awarded to Mrs. Allen consisting of a large egg filled with flowers and candy eggs. Mrs. Allen presented her prize to the kindergarten teachers for their classes.

Miss Smith is going to do her practice teaching in Miss Wilma Harris's third grade room.

Mrs. Laonne Corbin is teaching Mr. Roger's sixth grade classes folk dancing under the supervision of George Cass, recreation director from San Jose. The dancing will be part of the Public Schools Week program at Moorpark school, April 27 at 1:30 p.m.

The class will also enter the May Festival program at Spartan stadium on May 15.

Our new school additions are moving right along. Teachers are not complaining about the plumbers' noise making, the whining of the Skilsaws or the continuous hammering of the carpenters because they know that all this noisy competition in their classrooms means less crowded conditions next fall and better teaching facilities in the future.

At the teachers' meeting at which regrets were expressed at

the loss after vacation of the very popular Mrs. Marjory Kurle, teacher of the first grade. Congratulations were extended Mrs. Kurle on the future arrival of a private pupil at the Kurle home and another prospective student for Moorpark in the future.

Campbell To Send Four Students To Music Convention

Four Campbell Union High school students will be among the 1500 participants in the California-Western Music Educators convention at Sacramento April 10-13 disclosed Frank Triena, music department head, this week.

Students who will attend are Richard Larsen, orchestra member, and Lionel Crosos, Dan Knowles, and Lorraine Wood, who will sing in the chorus with 997 other students.

The convention, composed of representatives from many of the western states, is divided into three groups, the 250 piece orchestra, 250 piece band, and 1000 voice choir. There will be no Campbell representative in the band.

All of the participants of the convention will be subject to an intense three-day rehearsal period intermingled with social recreation and social affairs. On Friday, April 13, the tremendous all-conference concert will be presented at the Sacramento Memorial auditorium.

Guest conductors for this concert will be Clarence E. Sawholl, band, Stanley Chapple, orchestra, and Peter Wilhousky, chorus.

PAUL G. HOFFMAN, ERP Administrator, in L.A.—"If the Marshall Plan brings us peace and stability, and I firmly believe it can, it will turn out to be the greatest bargain that the American people ever had."

ALBERT W. HAWKES, past-president, U. S. C. of C. in L. A. — "Some of the fundamental principles of the Marshall Plan are good, but I'm not one-tenth as afraid of the possibility of war with Russia as I am of bankruptcy in this country."

S. F. Banker Names San Jose Attorney County Bond Head

Emery Delmas, San Jose attorney, today was named permanent Santa Clara county chairman of the U. S. Treasury Department's newly organized plan for the promotion of U. S. Savings Bonds sales in Northern California.

His appointment was announced by W. W. Crocker, San Francisco banker and Chairman of the volunteer Northern California Committee, in charge of 47 counties.

During and ever since the War Loan drives, the Northern California operation has been supervised by Crocker's general advisory committee, composed of civic leaders. The new organization plan will give each county an individual chairman, who will coordinate all promotional efforts within his area. Members of the old advisory committee will automatically become leaders in their respective county organizations.

In making the announcement, Crocker said:

"The Savings Bonds Program has proved to be one of the few wartime measures which have lasted favorably with the people and which, therefore, will be continued indefinitely. It has become an important factor in the lives of our citizens and in the management of the public debt."

"Because every county has a definite stake in the tremendous backlog of savings being accumulated through the purchase of bonds, it is only natural, and good business practice, that the leadership for this public service be grounded at the community level."

Crocker said the newly-appointed 47 county chairmen will attend a meeting in San Francisco shortly to discuss the Treasury Department's national plans for maintaining and increasing bond investments.

COTTRELL TALKS TO WOMEN
San Jose branch of the National Woman's party is sponsoring a talk by C. C. Cottrell, attorney and former California assemblyman, Saturday, at 2 p.m. in room B, Civic auditorium, 1000 Ave.

The speaker's subject will be "Political and civil rights of women compared to those of men." Mrs. H. Spencer Lewis, presiding officer, extends an invitation to all interested women to hear the address.

CAMPUS CHATTER

FROM CAMPBELL HIGH

The Spanish club at the high school will hold their next party on May 3. The theme of this affair will be "The Bean Feed."

In charge of refreshments for the PTA meeting held last night at the high school were members of the faculty. They also had the dubious honor of cleaning up at the conclusion of the meeting.

June 17 is the day that has been set for commencement exercises of the classes of 1949. Seniors have already ordered their announcements and have been measured for their caps and gowns.

Sophomore rings are now on display in the showcase in the classroom building. There are three styles of rings and each style comes in four sizes. Pins and necklaces to match may also be purchased.

The assembly on March 29

proved to be something out of the ordinary with a Scotchman marching through the auditorium playing Scottish folk songs on his bagpipe.

This was but a part of the program presented by the "Kilties" of the National Assemblies. After a commentary on the costumes and the customs of Scotland, the "Kilties" gave their rendition of many Scottish ballads. These included the Scottish National Anthem, "Annie Laurie," and "Lassie Mine," "Swing of the Kilt" and "Song of the Westward Men."

THE FARMER'S CORNER

By RALPH H. TAYLOR
(Executive Secretary, Agricultural Council of California)

When Governor Warren submitted a billion-dollar budget to the Legislature, it became apparent that for the first time state government will cost more in California during the coming fiscal year than it will anywhere else in the nation.

There is more to be considered in the matter of State expenses, however, than the billion-dollar budget. Outside of the budget, countless bills have been submitted to the Legislature calling for expenditure of State funds. These measures—if all passed—would increase the cost of government \$850,000,000 beyond that contemplated in the Governor's budget. Possibly the sum would be even higher, for in many of the bills the amount of the appropriation is, as yet, left blank.

Most political observers are agreed that little possibility exists for approval of all the appropriation bills, or even a majority of them, but it is extremely interesting to note where and how it is proposed to spend additional tax funds, much of it to put the State into competition with its own tax-paying citizens. For instance, there are two proposals to study revision of the State Constitution and one to continue the present Legislative Interim Constitutional Revision Committee. One appropriates \$250,000 to do the job; the amount of the appropriation is left blank in the other two.

Then there are the bills to create new agencies.

A. B. 343 would create a California State Advertising and Publicity Commission to compile information about California and issue publicity designed to attract tourists and business to the State. It calls for an appropriation of \$1,000,000 from the General Fund.

Fifty thousand dollars would be appropriated for a Fair Trade Commission created by A. B. 900, which would tend to be an active harassment to business.

There are scores more in the way of appropriation bills, and every one passed in addition to the budget makes the burden that much heavier. Then, too, its' a dubious distinction to have the most expensive state government in the Nation and thought should be given to lessening the load, rather than increasing it.

BOARD OF TRUSTEES AT CAMBRIAN GRAMMAR SCHOOL CALL FOR \$56,000 BOND FUND VOTE ON MAY 31;

A bond issue calling for \$56,000 from the eligible voters of the Cambrian school district will come up for vote Tuesday, May 31, according to D. M. Bagby, Cambrian Grammar school principal. The decision to have the election was reached Monday night by members of the Cambrian Board of Trustees in a meeting at the school.

"If this bond issue passes Cambrian will have reached the maximum bond capacity," said the principal. "I'm sure we'll have no difficulty in passing the present bond issue after the voters once examine the reasons behind the passage of the issue."

Enrollment at the Cambrian school has increased 58 per cent from the school year 1947-48 to 1948-49, the principal revealed. Because of this large enrollment the school has been unable to keep up with their building program in proportion to the number of students.

"Money from the bond issue will be used to increase the number of classrooms at the school," said Bagby. "With the enrollment now at 475 and an expected increase this fall, we'll need all of the available space we can get."

Polls will be open at the school from 7 a.m. to 7 p.m. all day May 31. In charge of the polls will be Inspector G. N. Helmbold, Judge Eleanor H. Nelson and Judge Wilma J. Weltz.

All registered residents in the Cambrian school district will be eligible to vote in the bond issue, according to Bagby. "We were one of the first schools in this area to have a bond issue back in 1945," he said. "At that

time the voters turned out and voted the necessary funds. We are confident that faced with the present critical space problem, they'll vote again to aid the school in 1949."

The \$56,000 will be extended over an 11-year period. At present the school is approximately six classrooms behind their building program.

Yesterday was the last day to register for the May 31 bond issue, said Bagby. New voters were asked to sign up at the school in order to be eligible to vote in the coming bond issue.

The amazing mushrooming of subdivisions in the Cambrian area is one of the main reasons for the huge and steady enrollment increase at the grammar school. If enrollment continues to increase in the 1949-50 school year as it has in the past, the school will be desperately in need of additional buildings to accommodate the overflow, the principal pointed out.

Members of the Board of Trustees of the Cambrian school district who made the decision to hold a bond issue election are Frank L. Steindorf, clerk, Earl

F. Gripestraw and William C. Sartorette.

Democrats in Accord

HOUSE G.O.P. leader Joe Martin has been tipped off that southern and northern Democrats finally have come to terms on civil rights. The compromise apparently was reached during backstage bargaining between leaders of the two Democratic blocs.

The ex-speaker relayed his report with great interest to other G.O.P. leaders at the Republican round table. This is a table in the house restaurant where Republicans gather for lunch and which serves as a sort of G.O.P. command post. Martin didn't reveal his sources, but southern congressmen have long been close to him, and Joe's inside intelligence on Democratic goings-on has usually been devastatingly accurate.

Terms of the all-important civil-rights agreement, Martin reported, are as follows: both sides agreed to an anti-lynch bill, anti-poll tax bill, 60-cent-per-hour minimum wage, and modifications of the Taft-Hartley law.

These are crucial and important compromises on the part of conservative southerners, but they have served notice this is the furthest they will go. They will not, for instance, accept the dynamite-laden fair employment practices bill, which will be quietly side-tracked in the house. But they will support the rest of President Truman's fair deal.

This backstage compromise, however, is nothing more than a quiet Yalta agreement among the leaders, Joe Martin pointed out. It can't possibly be binding on all the rank-and-file Democrats, and many congressmen on both sides will vote the dictates of their own consciences.

Ham And Eggs — \$25

M. Andre Picard, originator of the French gratitude train idea, was seated in a restaurant in Akron, O., eating breakfast. He had been hospitably and graciously entertained by various cities across the country, and he suggested that it was time he paid some of the bills himself.

Picard explained that he had exchanged some francs into dollars in New York, and pulled out a hundred dollar bill to prove it.

Frank Douglas, French-speaking secretary of A. F. Whitney, president of the Brotherhood of Railroad Trainmen, had been loaned to Picard to help him across the U.S.A. He said: "We don't like visitors to pay for things in our country. Besides, that \$100 bill looks like it was counterfeit."

Picard, however, insisted; finally he was told he could pay for his breakfast. Subsequently, the waitress, tipped off in advance, brought Picard a check for ham and eggs—\$25.

M. Picard looked at the check, but did not wince. He did ask how much American workmen made per week, then he took his check and his \$100 bill to the cashier.

The cashier, also tipped off in advance, held the \$100 bill up to the light and said: "I'm sorry but this bill is counterfeit. I'll have to call the police."

French Will Remember

M. Picard and part of the French gratitude train committee, sailed for France, after one of the most inspiring trips across the U.S.A. ever experienced by any foreigners. They have come to know this country even better than many Americans. And they have also come to love it. Here are some of the things they will long remember:

How the American railroads not only hauled the gratitude train free, but were even thoughtful enough to put French-speaking personnel on most of the trains... the 120-piece high-school band at Elkhart, Ind.—musical instrument center of the world... the popularity of Governor Paul Dever in Boston... the tremendous parade staged by Mayor Joe Smith in Oakland, Calif... the way Mayor Al Feeney of Indianapolis matched his clothes with his complexion... the patience of Maryland's Governor Preston Lane in waiting in the cold for the late arrival of the train in Baltimore.

Of German descent, Helne put on one of the warmest of all welcomes for the French... the courtesy of Governor Earl Warren in traveling the length of California to welcome the gratitude train... the courtesy of Governor Alfred Driscoll of New Jersey in not being willing to get up at 9 a.m. to be on hand.

The warmth of Mayor Heck Ross's welcome on one of the coldest of Des Moines days... Governor Tom Mabry's broad-brimmed New Mexican hat... the fact that two Italo-American mayors—Mike di Salle of Toledo and Tom D'Alessandro of Baltimore—gave the French one of their finest welcomes. (It was only a short time ago that Italy and France were locked in mortal combat.)

Bay Area To Host Youths April 9-14 At Livestock Show

Beginning Saturday and continuing for six days, the San Francisco Bay area will play host to 1,171 young people representing some of the finest examples of American youth.

They are members of the Future Farmers of America and 4-H club organizations. They are going to participate in the Grand National Junior Livestock Exposition which opens in the Cow Palace Saturday and continues through Thursday, April 9-14.

They will bring with them for exhibition, judging and auction sale, 3,500 head of fine beef, dairy and dual purpose cattle, lambs and hogs. These animals represent the practical projects of their agricultural education program and the Junior Grand National is the climax of the effort, toil, study and care they have given these animals for an entire year.

In order that these youngsters may be given a royal reception by adult and youthful citizens of San Francisco, the first three days of the Exposition will be given over to what has been termed "the greatest entertainment bill ever offered at the Cow Palace."

It will consist of the National Intercollegiate Championship Rodeo together with attendant tank-bark thrills. Fourteen colleges and universities from the mountains and sagebrush states are sending their crack rodeo teams to compete for the national buckaroo crown here.

Church To Baptize Children, Adults On Palm Sunday

Baptism of children and adults, followed by the reception of new members will be a part of the Palm Sunday observance of the Campbell Methodist church April 10. The choir will sing an anthem, and the pastor, Rev. L. J. Osborne, will preach on the Palm Sunday theme.

Holy Communion will be observed in the church at a candle-light communion service on Maundy Thursday evening, April 14, at 7:30 p.m. in the church.
